**Note:** Stocking colors on the PWS4100TX are Black and Red at this time. Other colors such as Blue are a special order with a purchase order number and will take 90 to 120 days for delivery.

Tool box is packaged in a thick molded foam core for protection in a heavy duty card board box.

Wheels need to be installed on the roller cabinet along with the side handle.

All tool boxes include the owners manual, warranty information, keys, name plates, drawer liners, and side handles in the top drawer. The casters are located in the bottom of the roller cabinet smaller drawer.

Container sized orders are a special quote for each customer depending on order volume, modifications, and requirements
